

Summary of Shareholders' Questions Received During the AGM and the Summarised Company's Responses

Questions raised by various shareholders during the AGM and the summarised responses by the Director/Management are as follows:-

- Q1. Will the Company consider giving e-vouchers to the shareholders who attended the meeting?
- A1. *The Chairman replied that the Company currently does not have a policy in place to give e-vouchers to the shareholders for attending the AGM.*
- Q2. Do the construction sites operate as usual amidst the implementation of Movement Control Order recently?
- A2. *Mr Oh answered that most of the construction sites were affected except the construction of essential buildings such as Cardiology Centre at Serdang Hospital. As of August 2021, construction activities have resumed at most of the construction sites.*
- Q3. What is the outlook for construction segment moving forward after recording a loss in financial year 2020?
- A3. *Mr Oh replied that the loss incurred in financial year 2020 for the construction segment mainly due to implementation of Movement Control Order in March 2020 to May 2020 which had caused construction activities to a halt. In the first quarter of financial year 2021, the construction segment showed sign of recovery and recorded profit. However, the recent implementation of Movement Control Order from May 2021 to July 2021 would impact the construction segment for the financial year 2021.*
